

P-C3560i MFP / P-C3565i MFP

Do you want to adjust to your MFP or should your MFP adjust to you?

Every member of the team has different requirements when it comes to a multifunctional system and wastes valuable time at work grappling with the technology. This is now a thing of the past. Our P-C3560i MFP and P-C3565i MFP A4 multifunctional systems make an impression with excellent colour quality and productivity and a focus on intuitive operation and customisable functions and applications. This way, each user only sees the functions and setting options that he really needs, leaving more time for the important aspects of the job.

What you can expect:

Saving time means saving money. Therefore, productivity is the measure of all things. The P-C3560i MFP and P-C3565i MFP take care of your print jobs at a speed of up to 35 A4 pages per minute in colour and black and white. Scanning speeds are even higher with up to 60 A4 pages per minute. Even the largest jobs can be taken care of simply and efficiently. This way, you can once again enjoy archiving and sending large-volume documents.

It doesn't get any easier: The large colour touch panel enables you to keep all functions under control as you can set up the user interface according to your own individual requirements. The integrated HyPAS interface also allows you to optimise your workflows using practical apps*. For example, with PinPoint Scan, you can simply scan documents in your personal PC folder or send documents via e-mail.

Here today, there tomorrow: Are your employees often on the go, but need to always be able to print via smartphone or tablet, scan documents to the cloud or access the control panel of the multifunctional system? This is simple thanks to the versatile P-C3560i MFP and P-C3565i MFP systems and our innovative HyPAS apps.

Well-equipped: These all-rounder systems are impressive across the board. From the standard document feeder that automatically scans up to 75 (even double-sided) originals in A6R to A4 format, to the integrated duplex unit for double-sided paper saving printing right through to the abundant paper capacity of up to 1,850 sheets. Whether you want to use prescriptions, stationery, envelopes, labels, slides or thick paper, the P-C3560i MFP and P-C3565i MFP support you in all your activities. Last but not least, you also have the option to staple your documents.

Technical Data

General		Environment		Fax system (only P-C3565i MFP)	
Type	Desktop	Noise level	approx. 52 dB(A) in operation, approx. 30 dB(A) in stand-by mode (ISO 7779/9296)	Compatibility	Super G3
Function	<i>P-C3560i MFP:</i> Copy, print, scan <i>P-C3565i MFP:</i> Copy, print, scan, fax	Safety	GS/TÜV, CE	Original format	max A4
Print technology	Laser colour and b/w	Print system		Modem speed	33.6 kbps
Original format	max A4 from platen glass	Type	Integrated within the system	Transmission speed	3 seconds or less using JBIG
Original feeder	75 sheet A4 (standard), A6R-A4, 50-120 g/m ² (simplex/duplex)	Print format	A6R-A4	Compression method	JBIG, MMR, MR, MH
Copy/print speed	max 35 A4 pages/min, duplex: max 17 A4 pages/min in colour and b/w	Print resolution	600 x 600 dpi, 9,600 x 600 dpi level	Fax resolution	Standard (200 x 100 dpi), fine (200 x 200 dpi), super fine (200 x 400 dpi), ultra fine (400 x 400 dpi)
1st page	Colour: 11 seconds, b/w: 9 seconds (copy)*, colour: 8.5 seconds, b/w: 7 seconds (print)*	Processor	PowerPC 465S/1 GHz	Fax memory	8 MB (3.5 MB image memory)
Warm-up time	25 seconds*	Interfaces	USB 2.0, 10/100/1000BaseTX, USB host (2)	Abbreviated dial	200 numbers
Copy resolution	600 x 600 dpi	Network protocols	TCP/IP, Net BEUI	One touch dial	100 numbers
Greyscales	256	Operating systems	Windows XP, Vista, Windows 7/8/8.1, Server 2003/2008 R2/2012 R2, Novell NetWare**, Linux, Mac OS 10.5	Group dial	50 numbers
Paper feed	1 x 250 sheet universal cassette (A6R-A4), 100 sheet multi-bypass (A6R-A4 [min 70 x 148 mm, max 216 x 356 mm])	Emulations	PCL6 (PCL 5c, XL), KPDL 3 (PostScript 3 compatible), PRESCRIBE IIc, PDF 1.7, XPS	Operating systems	Windows XP, Vista, Windows 7/8/8.1, Server 2003/2008 R2/2012 R2
Paper weights	Universal cassette 60-163 g/m ² , multi-bypass 60-220 g/m ² , duplex 60-163 g/m ²	Functions	Colour Optimiser, USB direct printing, PDF/XPS direct printing, printing of e-mails, private printing, quiet mode (half speed mode), barcode printing, Mobile Print (Android/iOS)/Apple AirPrint	Functions	Network fax driver, automatic redialling, delayed transmission
Paper output	250 sheet A4	Scan system		Options	
System memory	1,024 MB RAM, (max 2,048 MB RAM), 32/128 GB hard disk**	Scan type	CCD colour and b/w	Paper feed	max 3 x PF-5100 (500 sheet universal cassette [A5R-A4, 60-220 g/m ²])
Continuous copying	1-999 copies	Scan format	max A4	Finisher	MS-5100 manual stapler for 20 sheet (A4)
Zoom	25 %-400 % in steps of 1 %	Scan speed	b/w: max 60/26 A4 originals/min (simplex/duplex) with 300 dpi, colour: max 40/17 A4 originals/min (simplex/duplex) with 300 dpi	Other options	Data security kit (E), Card authentication kit (B), Card reader holder (10), UG-33 ThinPrint® kit, IB-50 Gigabit Ethernet card, IB-51 WLAN card, HD-6 SSD (32 GB), HD-7 SSD (128 GB), cabinet no. 72 (high), cabinet no. 73 (low)
Functions	Adjustable colour touch screen, duplex, job reservation, job programs, ID-card copy, continuous scan, skip blank pages, N-up, quiet mode (half speed mode), login by function, 100 management codes	Scan resolution	200 dpi, 300 dpi, 400 dpi, 600 dpi	*Depending on operating status.	
Dimensions/Weight		Scan mode	Photo, text, photo/text, OCR	**optional	
Dimensions	616 x 475 x 558 mm (H x W x D)	File types	TIFF, JPEG, XPS, PDF, PDF/A, high compression PDF, encrypted PDF, XPS, Open XPS	To enable HyPAS functionality additional memory is required.	
Weight	approx. 35.3 kg (P-C3560i MFP), approx. 35.4 kg (P-C3565i MFP)	Interfaces	10/100/1000BaseTX, USB 2.0	Specifications subject to change without notice.	
Environment		Network protocol	TCP/IP	Image shows machine with optional accessories.	
Mains voltage	220/240 V, 50/60 Hz	Operating systems	Windows XP, Vista, Windows 7/8/8.1, Server 2003/2008 R2/2012 R2	The P-C3560i MFP and the P-C3565i MFP are manufactured in accordance with the requirements of the Energy Star Program.	
Power consumption	approx. 1,310 W max., approx. 551/537 W (P-C3560i MFP/P-C3565i MFP) in operation, approx. 73 W in stand-by mode, approx. 2.1 W in sleep mode	Functions	Scan to SMB, Scan to e-mail, Scan to FTP, Scan to USB, TWAIN scan, WIA scan, SMTP authentication, LDAP		

TA Triumph-Adler is the document business expert. We offer our clients individual analysis, consultancy and efficient document workflows - not only on paper, but also electronically and with long-term service. For whenever professional users manage, print, photocopy, fax, present or archive documents, or need to optimize processes, TA Triumph-Adler concepts and solutions are the first choice. Our customers benefit greatly from the user-optimized technologies offered by our innovative systems. TA Triumph-Adler and the TA Triumph-Adler logo are registered trademarks of TA Triumph-Adler GmbH. All other brand names are the registered trademarks of their respective owners.
