

## P-2540i MFP

# Highly quality components mean a high-quality product.

Normally high performance and energy efficiency are features that don't come hand in hand. The P-2540i MFP A3 multifunctional system optimally combines their two seemingly contradictory characteristics. Along with being able to print 25 A4 pages per minute and offering a wide range of standard equipment as well as a number of practical features and expansion options, its environmental footprint is extremely low.

### What you can expect:

**Intelligent:** The P-2540i MFP offers a range of useful features that you will never want to do without again. These include the skip blank pages function and the ID card copy feature which allows you to print both sides of a small-format original document on a single page and save paper in the process. The optional hard drive allows you to create personal user boxes where you can store frequently used documents. This reduces network traffic and saves you precious time at work.

**Open:** You can naturally use conventional methods to connect the P-2540i MFP to your network. By opting for the optional wireless card, however, you can also use NFC (near-field communication) to establish a connection between the MFP and your mobile device. Or you can use Wi-Fi Direct\* to connect up to three mobile devices at any one time.

**Discreet:** When the 'Private printing' function is used, print jobs with confidential content are only output on the system once a PIN has been entered to ensure your confidential files do not end up in the wrong hands. But an even more convenient option is the integrable card reader\* in combination with the Card Authentication Kit\*. Any user can quickly and easily log in to the system using a chip card or transponder. This helps protect documents from unauthorised access. All this is possible without the need to enter a password.

**Exemplary:** The P-2540i MFP is not only user-friendly, it also offers versatile features and is environmentally friendly. The use of ultra-modern components keeps energy consumption low. The MFP also uses long-lasting consumables to make a further valuable contribution to protecting the environment and helping you save money.

# P-2540i MFP

## Technical Data

General		Print System		Optional fax system (13)	
<b>Type</b>	Desktop	<b>Type</b>	Integrated within the system	<b>Compatibility</b>	Super G3
<b>Functions</b>	Copy, print, scan, optional: fax	<b>Formats d'impression</b>	A3-A6R	<b>Original format</b>	max. A3
<b>Print technology</b>	Laser b/w	<b>Résolution d'impression</b>	1,200 x 1,200 dpi	<b>Modem speed</b>	33,6 kbps
<b>Original format</b>	max A3 from platen glass	<b>Processeur</b>	ARM Cortex-A9 Dual Core/1,2 GHz	<b>Transmission speed</b>	3 seconds or less using JBIG
<b>Original feeder</b>	50 sheet A4 (standard), min 140 x 182 mm, max 297 x 432 mm, 45-160 g/m <sup>2</sup> (simplex), 50-120 g/m <sup>2</sup> (duplex)	<b>Interfaces</b>	USB 2.0, 10/100/1000BaseTX, Hôte USB (2), NFC, Wi-Fi**	<b>Compression method</b>	JBIG, MMR, MR, MH
<b>Copy speed</b>	max 25 A4 pages/min and max 12 A3 pages/min	<b>Protocoles réseau</b>	TCP/IP, Net BEUI	<b>Fax resolution</b>	Standard (200 x 100 dpi), fine (200 x 200 dpi), super fine (200 x 400 dpi), ultra fine (400 x 400 dpi)
<b>1st page (copy/print)</b>	5,8 seconds*	<b>Systèmes d'exploitation</b>	Windows 7/8/8.1/10, Server 2008 R2/2012 R2, Novell NetWare, Linux, Mac OS 10.5	<b>Fax memory</b>	16 MB (12 MB image memory)
<b>Warm-up time</b>	19.5 seconds	<b>Emulations</b>	PCL6 (PCL 5c, XL), KPDL 3 (PostScript 3 compatible), PRESCRIBE IIc, PDF 1.7, XPS	<b>Abbreviated dial</b>	200 numbers
<b>Copy resolution</b>	600 x 600 dpi	<b>Functions</b>	Colour Optimiser, USB direct printing, PDF/XPS direct printing, printing of e-mails, private printing, barcode printing, Mobile Print (Android/iOS), Apple AirPrint, Google Cloud Print. Wi-Fi**	<b>One touch dial</b>	100 numbers
<b>Greyscales</b>	256			<b>Group dial</b>	50 numbers
<b>Paper feed</b>	1 x 500 sheet universal cassette (A5R-A3), 100 sheet multi-bypass (A6R-A3)			<b>Operating systems</b>	Windows 7/8/8.1, Server 2008 R2/2012 R2/2016
<b>Paper weights</b>	Universal cassette 60-256 g/m <sup>2</sup> , multi-bypass 60-256 g/m <sup>2</sup> , duplex 60-220 g/m <sup>2</sup>			<b>Functions</b>	Network fax driver, automatic redialling, delayed transmission
<b>Paper output</b>	250 sheet A4				
<b>Job separator</b>	50 sheet A4 (standard)				
<b>System memory</b>	1,024 MB RAM, max. 3,072 GB RAM, 32/128 GB SSD**				
<b>Continuous copying</b>	1-999 copies				
<b>Zoom</b>	25 %-400 % in steps of 1 %				
<b>Functions</b>	Colour touch screen (4.3 inch), duplex, direct printing from/scanning to USB stick, job reservation, N-up, Favorites, 100 management codes, etc.				
Dimensions/Weight		Scan System		Options	
<b>Dimensions</b>	688 x 590 x 590 mm (H x W x D)	<b>Scan type</b>	CIS colour and b/w	<b>Paper feed</b>	PF-470 (max 1 x 500 sheet universal cassette (A5R-A3)), PF-471 (max 2 x 500 sheet universal cassettes (A5R-A3))
<b>Weight</b>	approx. 49 kg	<b>Scan format</b>	max. A3	<b>Other options</b>	Data Security Kit (E), Card Authentication Kit (B), UG-33 ThinPrint® kit, IB-50 Gigabit Ethernet card, IB-36 or IB-51 WLAN card, HD-6 SSD (32 GB), HD-7 SSD (128 GB), cabinet no. 62
Environnement		<b>Scan speed</b>	b/w: max 50/16 A4 originals/min (simplex/duplex) with 300 dpi, colour: max 50/16 A4 originals/min (simplex/duplex) with 300 dpi		
<b>Mains voltage</b>	220/240 V, 50 Hz	<b>Scan resolution</b>	200 dpi, 300 dpi, 400 dpi, 600 dpi		
<b>Power consumption</b>	approx. 1270W max., approx. 410 W in operation, approx. 65 W in stand-by mode, approx. 0.5 W in sleep mode, TEC value: 1.0 KWh/week	<b>Scan mode</b>	Photo, text, photo/text, optimised for OCR		
<b>Noise level</b>	approx. 44,9 dB(A) in operation, stand-by mode: immeasurable (ISO 7779/9296)	<b>File types</b>	TIFF, PDF, XPS, OpenXPS, high compression PDF, JPEG		
<b>Safety</b>	GS/TÜV, CE	<b>Interfaces</b>	10/100/1000BaseTX, USB 2.0		
		<b>Network protocol</b>	TCP/IP		
		<b>Operating systems</b>	Windows 7/8/8.1/10, Server 2008 R2/2012 R2/2016, Novell NetWare, Linux, Mac OS 10.5		
		<b>Functions</b>	Scan to SMB, Scan to e-mail, Scan to FTP, Scan to USB, TWAIN-Scan, WIA-Scan, authentication SMTP, LDAP		

TA Triumph-Adler is the document business expert. We offer our clients individual analysis, consultancy and efficient document workflows – not only on paper, but also electronically and with long-term service. For whenever professional users manage, print, photocopy, fax, present or archive documents, or need to optimise processes, TA Triumph-Adler concepts and solutions are the first choice. Our customers benefit greatly from the user-optimised technologies offered by our innovative systems. TA Triumph-Adler and the TA Triumph-Adler logo are registered trademarks of TA Triumph-Adler GmbH. All other brand names are the registered trademarks of their respective owners.
